

CHIP'N TRAIL Project

The Armstrong Rails to Trails Association (ARTA) and the Allegheny Valley Land Trust are excited to announce the CHIP'N TRAIL Project. The goal of the CHIP'N TRAIL Project is to provide trail advocates the opportunity to "CHIP IN" to purchase limestone "CHIPS" to "CHIP AWAY" the roughness on the missing links in the Armstrong Trail.

Donations and memberships dues can be sent to:

PO BOX 777

Kittanning, PA 16201

Donations will be designated towards the purchase, delivery, spreading and compacting crushed limestone into a smoother riding surface on the unimproved sections of the nonmotorized Armstrong Trail. The initial phase of the project will be chip'n the trail by Hayes Run between mile post 49 and Mile Post 49.25 in Rayburn Township, Armstrong County. Allegheny Valley Land Trust has donated the first 22 tons of limestone to the project. If you wish to become more involved and help in prioritizing trail needs, you can become an active member of ARTA.
